Xiaomi Mi Note Dual SIM SD Card Replacement

This guide will show you how to properly remove and replace the Dual SIM SD Card from this phone.

Written By: Mark Sears

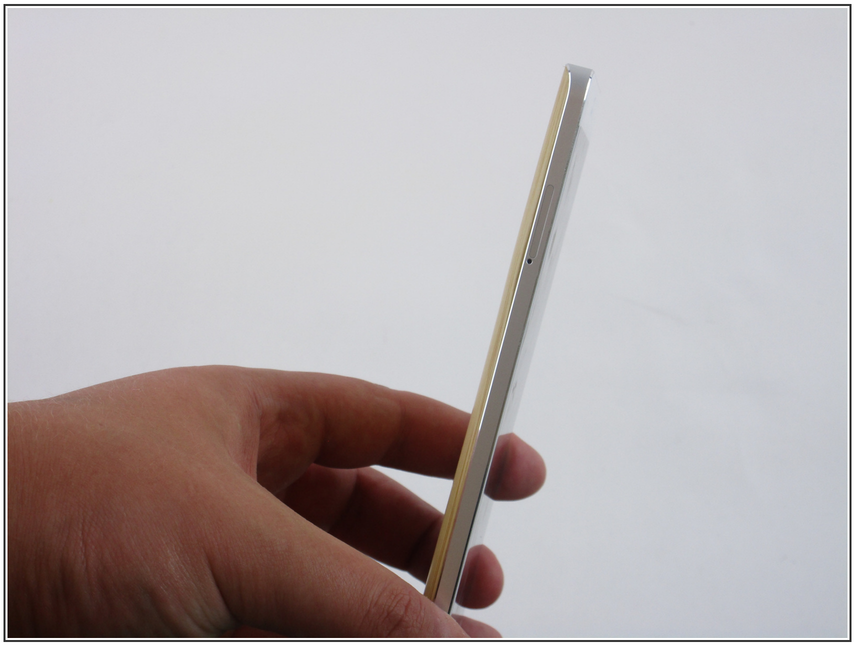

INTRODUCTION

Use this guide to replace your Xiaomi Mi Note's Dual SIM SD Card.

TOOLS:

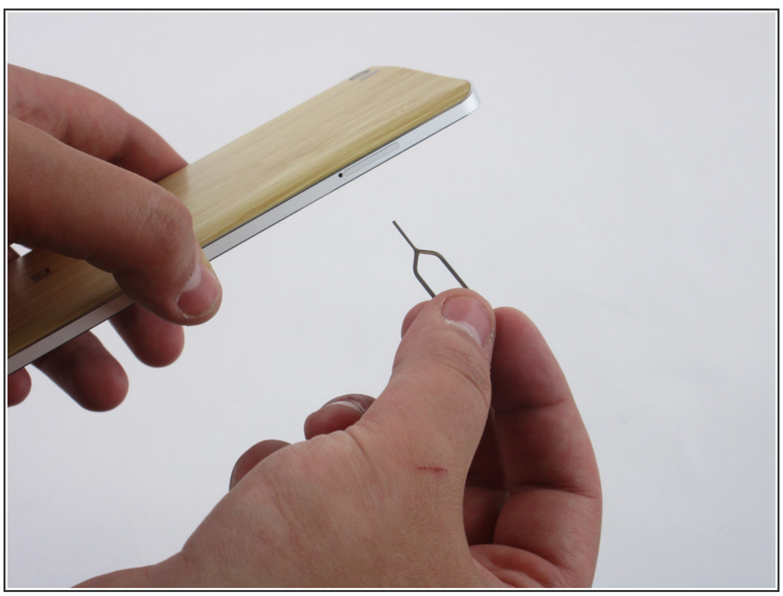

- SIM Card Eject Tool (1)

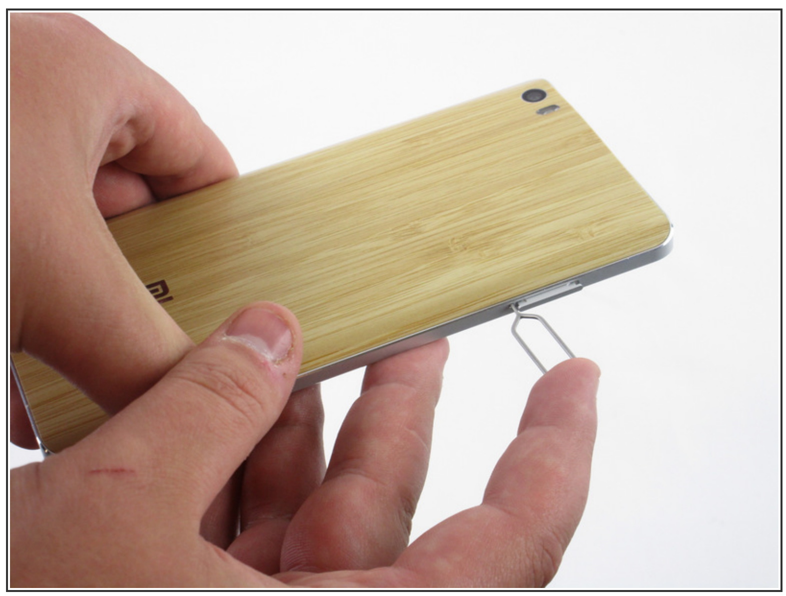

Step 1 — Dual SIM SD Card

- Locate the hole for the Dual SIM SD card on the left side of the phone.

Step 2

- Use the Dual SIM SD card removal tool (or use a paper clip) and insert it into the slot hole until the tray pops out.

To reassemble your device, slide the Dual SIM SD Card back into the slot.
